NON-LEPROUS BOYS' SCHOOL

Thomas Nahiwa Appointed
Principal—Manual Training.

The school for the nonleprous boys who were recently brought from the Settlement at Molokai is to be started July 15, and will be largely industrial in character. The matter was taken up at the meeting of the Board of Education yesterday afternoon, and Thomas Nahiwa was chosen principal.

Nahiwa is a graduate of the Kamehameha School and also of the Normal School. He has taught successfully two or three years, and last year was principal of the Alae school in South Kona. The new school will commence July 15. The Board of Health is seeking additional land in the vicinity of the school so that in addition to industrial training in the school and shop, training in planting and cultivating can be given. It is intended to make the instruction and discipline of the school something like that at the school at Waihee, only, of course, it will not be a penal school in any sense.

The Public Works Department is at present working on plans for a workshop for the boys.

The board granted a life certificate to Mrs. E. S. Capellas, of Hakalau and a life diploma to Mrs. Helen Kelsey of Waiupe school.

During a recent examination of teachers for certificates or certificates of a higher grade, three or four of the candidates committed the unpardonable offense of being caught "cribbing," and the board yesterday summarily severed their connection with the department.

This woman says that after months of suffering Lydia E. Pinkham's Vegetable Compound made her as well as ever.

Maude E. Forgie, of Leesburg, Va., writes to Mrs. Pinkham:

"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. For months I suffered from feminine ills so that I thought I could not live. I wrote you, and after taking Lydia E. Pinkham's Vegetable Compound, and using the treatment you prescribed I felt like a new woman. I am now strong, and well as ever, and thank you for the good you have done me."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

COURT DECIDES THE LAHAINALUNA CASE

The Supreme Court yesterday decided the famous Lahainaluna case. The opinion of the court is published in another part of this issue. It is an exceedingly long one greatly padded with quotations from old letters and reports.

Lahainaluna was established by the missionaries, and by the American Board in 1849 transferred to the Hawaiian government on certain conditions. The plaintiffs in this case claiming to be the successors to the rights of the American Board in this matter sue for the recovery of the property or the stipulated damages of \$15,000. The Supreme Court holds that the conditions of the transfer as to the teaching of religious doctrines has not been broken, and further that if it had, any rights the American Board might enjoy have not accrued to these plaintiffs. The plaintiffs are F. J. Lowrey, George P. Castle and W. O. Smith.

AN APPEAL DENIED.

On the appeal of Maga and Seyo convicted of an assault with a deadly weapon, the Supreme Court yesterday held that the failure of the stenographer to transcribe and file his notes of the charge of the Judge to the jury gave no right to a new trial.

STAMP DUTIES.

In the appeal of the Robert Love Estate Ltd., from the ruling of the Treasurer as to the amount of stamp duties to be placed on the deeds filed by the company, the Supreme Court yesterday sustained the ruling of the Treasurer.

The contention of the Robert Love Estate was that as the heirs of Robert Love simply deeded the property from themselves as individuals to themselves as a corporation there had been no real transfer of the property, and that hence stamps in proportion to the value of the property conveyed were not required. The court held otherwise.

ADJUDICATED BANKRUPTS.

Goo Chan and Otto Gertz were yesterday adjudicated bankrupts by Judge Dole. Goo Chan gives his liabilities as \$235.32 and his assets as nothing. Gertz gives his liabilities at \$327 and his assets as \$390 including a policy of life insurance with the Independent Order of Foresters for \$2000.

INVENTORY FILED.

An inventory of the estate of the late Annie L. Roe was filed yesterday. The personal estate is given at \$179 besides a judgment against the estate of the late Henry Hogan for \$245.72, from which an appeal has been taken.

DIVORCE LIBEL.

J. M. Vivas has filed a libel for divorce against his wife Mary D. Vivas. He alleges that she refused to go with him when he left Honolulu and went to Wailuku to live. She has been living in Oakland since 1904 with their children. He alleges that he has contributed to the support of the children as his means afforded. Mrs. Vivas is said lately returned to Honolulu.

TONY AFONG'S SUIT.

A discontinuance was filed yesterday in the suit of Tony C. Afong against the Hawaii Land Company. The suit was for arrears of rent on the property at the corner of King and Maunakea streets under lease for twenty-one years from October 1, 1901. Afong describes himself as a resident of the British Colony of Hongkong. The suit is discontinued because the rent has been paid.

TEMPORARY ADMINISTRATOR.

Irmia Machado was yesterday appointed temporary administrator of the estate of the late Manuel Machado.

COURT NOTES.

The trial of John Marks charged with stealing cattle continued before Judge Robinson and a jury yesterday. Most of the testimony has now been put in. It is expected that the case will go to the jury this forenoon.

The Afong case proceeded before Judge Lindsay yesterday. Henry Afong and his wife were the principal witnesses on the stand. They were put on in behalf of the plaintiff.

Judge Dole will take up the accounts of the clerk of his court for the past half year, for approval this morning.

The Federal grand jury was in session all day yesterday. It has as yet returned no indictments.

Judge Dole is at work on the Manchuria case. This is the proceeding wherein the Cableship Restorer sued for salvage.

OWENS INQUEST LAST NIGHT.

The inquest called to inquire into the death of the late Guy Owens, who was killed by an electric shock while working at the Kamehameha schools on Tuesday night, was held last night at the police station, the verdict being an open one, fixing the blame of the death on no one and shedding no light on the surrounding circumstances.

The jury consisted of C. Bradley, W. A. Ackermann, James Westbrook, John Pulama, David Alohiaka and David Kaupana, and the witnesses called to give evidence were W. A. Gill, F. E. Rich, A. Lotta, A. Robinson and Robert Smith.

The verdict was simply that the deceased came to his death from an electric shock.

OFFICERS INSTALLED.

At a regular meeting of Court Lunahilo No. 6800, A. O. F., held at K. of P. hall last evening the following officers were installed to serve the ensuing term ending Dec. 31, 1908:

T. C. Blackwell succeeds H. H. Hanakahi as chief ranger; G. M. Addison, sub. chief ranger; John W. Short, P. C., treasurer; Jas. K. Kaulia, P. C., financial secretary; John Kaiana, recording secretary; Thos. Saffery, senior woodward; Wm. Wilcox, junior woodward; Geo. Maile, P. C., senior headle; Wm. Ahla, P. C., junior headle.

The installing officers were Deputy High Chief Ranger Jno. W. Short, P. C., assisted by Geo. Thompson, P. C. and Herald A. K. Lewis, P. C.

An automobile race from Paris to Dieppe, 200 miles, one of the most exciting events ever pictured, is being shown at the Art Theater.

On account of departure of the owner, I am instructed to sell the sloop yacht Spray, without reserve.

In April last she made the circuit of Oahu in the shortest time on record, viz. 22 hours. She has a roomy and comfortable cabin, ideal for Pearl Harbor sailing. She was formerly a \$2000 boat. She has been examined by Mr. C. Johnson, the boat builder, who reports that for \$290 he will give her a new suit of sails, rigging, steering gear and rudder; calk and otherwise repair and give her two coats of paint, and that with these, in his opinion, she will not need any substantial repairs for say three years. His offer goes with the boat. A chance for a bargain.
